

Notification of 2022 Titles

Deadline for submission: April 1, 2023

Each year, the NCNC presents awards to members' dogs that have earned AKC and NCA titles during the previous year. The first award for any dog is a plaque engraved with the dog's name and a bar with the dog's title and date earned, which hangs from the plaque. Thereafter, the award is the engraved bar(s) for each new title(s) to add to your existing plaque. These special awards will be presented at the NCNC Annual Picnic (please see NCNC website – www.northcentralnewf.org) for more information regarding the Picnic.

Members are asked to kindly contribute \$30 for a plaque and \$5 for each bar. Versatile Newfoundland ROM or OTCH titles are each recognized with a special plaque. There is no charge for these plaques.

Please complete the information below and return this form to Linda Larsen at address below.
